

## Network Peterborough - July 2010

Monday 5th	Julian Prayer Group	<i>Park Road Baptist Church</i>	7:30pm - 8:00pm
We are part of an international network of contemplative prayer groups called Julian Meetings. We teach no specific method of meditation. We encourage people to find what is right for them; to discover how they can integrate contemplation into their daily prayer life and how personal and group contemplative prayer can enrich each other.			
Sunday 11th	cafechurch	<i>Costa Coffee, Bridge Street, Peterborough</i>	4:30pm - 6:30pm
Park Road Baptist Church has been pioneering cafechurch in Peterborough for the past six months. cafechurch is open to all, but especially to those who want to know more about the Christian faith, without the baggage that sometimes goes with more traditional church worship.
